Programs

This will be our tenth year offering swimming lessons as part of the City of Washington's summer programs. Registration will be May 17 – 28. Classes will start in June. Exact dates and times of classes will be posted prior to registration.

Lifeguard Class

The American Red Cross will be offering another lifeguard course this spring. The class will run from April 5th through April 8th at the Aquatic Center. If you are interested in taking part in the class, contact the Beaufort County American Red Cross at 946-4110 for times and registration.

Special Olympics Swimming

The Beaufort/Hyde chapter for Special Olympics is in need for a swimming coach for their swim season this spring and early summer. All practices are held at the Moore Aquatic & Fitness Center. If you are interested in volunteering please call the Aquatic Center for more information.

Membership Freeze

Annual membership packages may be frozen once per membership period for those needing to be out for a medical condition or out of the area. The freeze must be for no less than

30 days and no more than 6 months. You must complete the paperwork and pay the \$10.00 fee before you wish to begin the freeze on the package. Entire packages, not individuals on a package will then be frozen. Please don't forget this option and save membership time for when you return.

Lockers

New plastic lockers are in and are available for rent. These lockers are made from a durable thick plastic, designed to last in high humidity locations. Large lockers are available for \$8 a month and medium lockers are available for \$4 a month. As before, you must supply your own lock. See the front desk attendant to reserve a locker.

High School State Meet

Congratulations goes to Washington High School senior, Brandon Niederhauser, for medaling this past February at the high school state 3-A division swim meet held in Raleigh. Brandon placed 3rd in the 100 freestyle and 2nd in the 50 freestyle. Thank you to all who supported the Washington High School swim team this winter.
